You are hired to perform an important function at Wonderland. As with any team effort, it takes cooperation and commitment from everyone to operate effectively. Regular attendance and punctuality are important to maintain high levels of productivity and achieve company and department goals. However, we recognize that employees occasionally become ill, need to miss work, or are unavoidably late. The purpose of this policy is to set expectations for attendance and to ensure productivity while allowing employees the flexibility to manage unavoidable/unscheduled absences.
